# Baltic Denture System®

Your entry into the process of digital dentures:

## CONVENTIONAL IMPRESSION

Impression-taking

Functional impression-taking

Bite registration

Checkup of  
function & aesthetics

## IMPRESSION WITH THE **BDKEY® Set**

Functional  
impression-taking

Bite registration

Checkup of  
function & aesthetics

2  
Appoint-  
ments

## IMPRESSION WITH THE OLD DENTURE

Relining  
impression-taking

Bite registration

Checkup of  
occlusion & aesthetics

2  
Appoint-  
ments

## BENEFITS FOR YOUR PRACTICE

- Patient satisfaction as a result of exact fit accuracy & stability, reduced allergy potential, plaque resistance and less medical appointments
- High process reliability due to redictable results

additionally using the **BDKEY® Set** or  
impression with the old denture:

- Only two appointments by summarizing the processes
- More time for patients by reducing the process steps
- Efficiency and economy owing to reduced treatment time

BDS with the  
**BDKEY® Set**
